

BLINDS UK

Domestic and Commercial Blind Specialist

AC Blinds would like to take this opportunity to thank you for your valued custom.

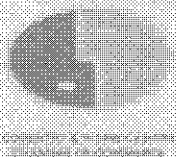

It is important to us that we know what our customers think about our services provided, and would ask if you would kindly take the time to give us your comments below to ensure that we continue giving our customers the best possible service.

Customer Name:

Comments:

I am extremely pleased with my blinds. The whole service was very good from the measuring, estimating, delivery time & fitting. They were fitted with the minimum of disturbance or fuss and no mess left behind. The service was very pleasant, friendly & business-like. Thank you. Jane Bratton.
